

K5 PRO / K5 PRO LR

K SERIES"

- 2000W maximum power motor, 48V
- Real-world range:
 - 60 km - 15,000 mAh (K5 PRO)
 - 75 km - 20,000 mAh (K5 PRO LR)
- 10" tubeless tires
- Triple braking system: front and rear disc brake and regenerative braking
- Advanced Smart Core Inside

SG27-592		8435089049114		K5 PRO
SG27-593		8435089049121		K5 PRO LR

Specifications

Battery

- 15,000 mAh / 48V (K5 PRO)
- 20,000 mAh / 48V (K5 PRO LR)
- Lithium battery with BMS
- Sentinel OPS System
- Up to 8 hours charging time (K5 PRO)
- Up to 10 hours charging time (K5 PRO LR)

Connectivity

- App: Yes - smartGyro CORE
- Bluetooth: Yes
- Functions: Remote anti-theft lock, riding statistics (distance, battery status, etc.), Unlock & Ride System (NFC card included)

Performance

- 2000W maximum/ 900W nominal
- Brushless Motor 48V
- Up to 60 / 75 km range (depending on conditions) - (K5 PRO / K5 PRO LR)
- 4 modes: Walk, ECO, Comfort, Sport
- Display: LCD display
- IP rating: IPX4

Chassis & Comfort

- Inverted front suspension and rear coil suspension.
- Brakes: triple braking system (front and rear disc brakes and regenerative braking)
- KerSync System (Kinetic Energy Regeneration System)
- Tires: 10" tubeless tires
- Lighting: front LED headlight + rear brake light + turn signals + ambient lights

Packaging

Inside

- Electric scooter + charger + manual + tool kit + ad brochure

Outer Carton

- Size (LxWxH) : 128*21*59 cm
- GW: 29,64 Kgs / 30,78 Kgs
- Outer carton with double lid and protective foam, max safety

Units/pallet/container:

- Units/EU pallet: aprox. 12 units
- 20": 170 pcs/40": 360 pcs

Warranty

- 3-year Warranty
- Spare parts availability period: Minimum 24 months
- Extensive stock of original spare parts, supplied in original packaging
- European after-sales service
